Data compiled by Bi-State Regional Commission from: U.S. Bureau of Labor Statistics, Iowa Workforce Development, Illinois Department of Employment. Data from Iowa Workforce Development provides seasonally adjusted data only at the state level. Latest monthly data and annual averages are preliminary. Data contained herein are considered accurate at the time of posting. Current and historical employment/unemployment data are often adjusted due to re-benchmarking and changes in methodology. Totals for MSA and Bi-State Region may not equal sum of individual counties due to rounding.
