Great Western Supply: Item #202 “availability may be affected by COVID”
“Gloves of all types have been affected by COVID. We have bid the gloves we feel are the most readily available, but there may still be extended lead times.”

Midland Paper: “Midland Paper reserves the right to declare “force majeure” if market conditions dictate. There are many items that can’t be guaranteed they will be available any time soon – gloves, disinfectants, a lot of the chemicals. The quotes are based on what is available today, and we all know what happened in 2020.”
