

Questions Regarding Request for Proposal (RFP)

For Consulting Services for Request For Proposals (RFP) Development, Vendor Selection

For the Acquisition of Aerial Mapping Products (Spring 2024)

June 14, 2023

QUESTION:

Has the Consortium considered entering into a multi-year contract with the mapping vendor selected for the project?

- A multi-year contract could contain fixed pricing for the life of the contract and member buy-ups for additional services.
- Technical Assistance including QA/QC could also be provided under a separate multi-year contract.

ANSWER:

At this time the RFP is for one time only services and consortium has not discussed or considered multi-year alternatives.
