

## **Freight Study RFP Questions/Answers**

**Q:** The Freight Study RFP states that the responding firm shall be listed as a pre-qualified consultant with both Iowa DOT and Illinois DOT. Is this required?

**A:** Both the Iowa and Illinois Departments of Transportation have clarified that prequalification **will not** be required for this study.

**Q:** Are cost estimates required with the proposal?

**A:** Yes, please disregard a sentence that says it isn't required.

**Q:** Is a DBE required?

**A:** Yes in accordance with 49CFR26.13 (a).

**Q:** Is ATRI truck data available for processing and using for this freight study?

**A:** Not at this time, but the study committee will request it at no cost from the ATRI Committee for the selected consultant team. We cannot guarantee we will receive it. The study team does have access to CVIEW, CVISN, and HERE.
