

WEST LIBERTY DTR QUESTIONS AND ANSWERS

Is there a list of the buildings in your facade improvement RFQ?

There was no list of buildings just the map of the District.

Have buildings been identified for this project?

This is a resubmittal of a grant submitted in early 2018. As such the prior application materials will be made available to the selected architect which will include the prior buildings. However all of these properties may not continue to be interested in the program and or may have been partially renovated so it is possible that new buildings will need to be selected and or more blighted buildings might strengthen the application.
